3	07-Jan-19	Page 49 of the RFP document Clause 11-Provision of the project vehicle:Kindly confirm if the project vehicle for the Client's project manager use for 20 months would be new. If it is new, we find that the financing cost would be very high and thus we seek that the provision of an advance payment would be necessary to facilitate for such upfront costs. We would suggest that the Clause 6.4 (a) page 68 include an advance payment of 20% of the Contract price against a bank guarantee to be recovered proportionately to the payments on deliverables.	11-Jan-19	The project vehicle for the Client's Project Manager will be new. Clause 6.4 (a) is amended to give advance payment of 15% of the contract price. The advance payment will be made after the contract is signed and upon submission of a bank guarantee equal the same amount and from a reputable bank. The advance payment will be recovered by the Client in four equal instalments against the payments on deliverables until the advance payment has been fully set off. The money given under advance payment must be used for the intended purpose. Format for the bank guarantee attached.
